

Reliance Rx Email/Text Message Notification Enrollment

Reliance Rx is now offering pharmacy notification services via text message (SMS) and email alerts. Upon enrollment, you acknowledge that messages will be sent to the mobile phone number and/or email address you provide, and with respect to text messages, you represent that you have authority to request such messages be sent to such mobile phone number. By signing up, you understand and agree that the text messages may be generated using automated technology. Messages will not include any protected health information.

Once you subscribe to this service, you will receive alerts when we have information regarding your prescriptions - such as refill or delivery reminders. Your consent to receive text or email messages is not required to make a purchase from Reliance Rx. The message will prompt you to call 1-800-809-4763 or go to www.reliancersp.com to arrange your delivery.

Though Reliance Rx will not charge you for pharmacy notification services, standard message and data rates may apply. You are solely responsible for all message and data charges that you incur. Please contact your participating mobile service provider for more information regarding such charges.

You may opt out of the email notification service at any time by selecting the unsubscribe link in the email or and may opt out of the text message (SMS) notification service by replying **STOP** to the text message notification.

Once form is completed and signed, it may be returned to Reliance via mail, scanned and emailed (rxinfo@reliancersp.com), or faxed (1-877-671-7189).
